

## Cyclescheme and Finance Information Sheet

### CycleScheme

<b>MODEL - call for other bikes</b>	<b>KHS CYCLEScheme PRICE</b>
XCT535	879.99
XCT555	999.99 (+delivery charge)
XC604	939.99
alite3000	749.99
alite2000	599.99

1. If you want a bike through Cyclescheme please check the price and send us an email containing your name, address, tel, email and the same for your employer.
2. Remember that KHS sells direct so our Cyclescheme bike prices are more than 25% better value than equivalent bikes at retailers. If you factor in the cyclescheme savings of between 30%-40% (depending on your scheme) it means you got a lot of bike for a double great deal.
3. Remember that accessories such as shock pumps, locks and light sets benefit from Cyclescheme tax benefits. We have an accessories list you download and use. Add the items you require to your email (we really recommend shock pumps on bike with air forks or rear shocks)
4. On receipt of your email or telephone call we shall send you an email quote which includes our shop reference code to enable you to get you application moving.

### MoneyWay Cycle Finance

1. We are very pleased to be working with Moneyway Cycle Finance with the support of the Association of Cycle Traders.
2. They offer a range of 0% APR finance packages and our standard package below is for 18 Months with an approximate 10% or £100 deposit. You are welcome to pay a larger deposit or ask for a shorter term (6/10/12 months). This may result in a discount off the bike price. Email us for a quote if you want a variation.

Cont'd.....

3. As our bikes are mail order we have to apply a 14 day cooling off/waiting period from the date we sign the agreement, so you do not get your bike as soon as you are approved and have signed and returned the agreement.
4. To make an application, give us a call with your **bank details, address for last three months minimum, gross annual pay**. You will be expected to pay the deposit from a debit or credit card registered to the proposal (and delivery) address on the application.

As with all matters at KHS Bikes, we do answer the phone so get onto us if you need help with our explanations.
